

KONA Electric

Smarter technology puts you in the lead.

Every destination needs a journey. Why settle for less when the KONA Electric is packed with innovative technology and striking design features, to get you there in comfort and style.

Closed grille and twin headlight design

LED rear lamps

17" alloy wheels

Exceptional style is our standard, with a vibrant range of external colours and varied interiors giving you aesthetic control. The unique closed-off front grille, aerodynamic 17" alloy wheels and the distinct frame add flair to every design, whilst under the hood cutting-edge lithium-ion batteries give you peak performance. Both available battery sizes (39 and 64kWh) are liquid-cooled and reliably charge to 80% capacity within 57 and 75 minutes (using a 50kWh rapid charger), giving you a range of up to 194 and 300 miles respectively.

Car shown KONA Electric Premium SE in Ceramic Blue pearl paint with optional two-tone roof.

Take back control with innovative interiors.

The simple, sleek interior puts you in control. A perfect blend of advanced technology and elegant design keeps you informed without being distracting, letting you drive with confidence.

7" digital cluster

8" touchscreen

Paddle shifter
(Regenerative braking control)

Electronic gear shift button

The KONA Electric's spacious interiors are as comfortable as they are modern. The dashboard boasts an intuitive 7" digital cluster display making critical information readable at a glance, whilst the centre-mounted 8" touchscreen gives quick access to car functions including navigation. You can also shift gear into Drive, Neutral and Reverse with a single button press on the central column. What's more, regenerative braking controls on the steering column let you balance acceleration and efficiency by shifting power to the wheels or battery as needed.

SE offers the following key features as standard:

- 17" Alloy wheels
- 7" Touchscreen with Display Audio and Smart Device Integration
- Automatic Headlights with Dusk Sensor
- Autonomous Emergency Braking with Pedestrian Recognition (AEB)
- Battery Heater
- Bluetooth® Connectivity with Voice Recognition
- Climate Control
- DAB Digital Radio
- Heat Pump
- Lane Keep Assist (LKA)
- Parking Sensors Rear
- Phone Connection - Apple CarPlay™ and Android Auto™
- Rear View Camera
- Regenerative Braking System
- Smart Cruise Control (SCC)
- Smart Key with Power On/Off Button

Premium offers the following key features over SE:

- 8" Touchscreen Satellite Navigation + TMC + MapCare + LIVE Services
- Automatic Dimming Rear View Mirror
- Automatic Windscreen Wipers with Rain Sensor
- Blind Spot Detection (BSD)
- KRELL Premium Audio
- Lane Follow Assist (LFA)
- LED Rear Lights
- Parking Sensors Front and Rear
- Privacy Glass
- Rear Cross Traffic Alert (RCTA)
- Wireless Phone Charging Pad

Premium SE offers the following key features over Premium:

- Front Seats Electric Adjustment
- Front Seats Heated and Ventilated
- Full LED Headlights
- Head Up Display (HUD)
- Heated Steering Wheel
- High Beam Assist (HBA)
- Leather Upholstery (Seat Facings)

Exterior colours

Chalk White - Metallic

Galactic Grey - Pearl (Free of Charge)

Ceramic Blue - Pearl

Acid Yellow - Metallic/Pearl

Tangerine Comet - Pearl

Pulse Red - Metallic/Pearl

Interior trims

SE and Premium: Black Cloth

Premium SE: Black Leather (Seat Facings)

Premium SE: Grey Leather (Seat Facings). No cost option with Ceramic Blue, Galactic Grey or Chalk White exterior colours

Exterior colours shown with optional two-tone roof available at extra cost.

* Kerb Weight defined as the total weight of a vehicle with standard equipment (the minimum figure) and factory fitted optional equipment (the maximum figure) and all necessary operating consumables such as oils, coolant, air conditioning refrigerant and a full tank of fuel, while not loaded with either driver, passengers or cargo.

† Payload is the difference between the Gross Vehicle Weight and the Kerb Weight.

‡ Gross Vehicle Weight is the maximum allowable weight of the vehicle, fully loaded with passengers and cargo (the Payload) and includes the weight of the vehicle.

** The Gross Train Weight is the weight of the fully loaded vehicle plus a fully loaded trailer and must not be exceeded.

†† This vehicle has been type approved under the Worldwide Harmonised Light-Duty Vehicles Test Procedure (WLTP). These test figures are for comparative purposes and may not reflect actual driving results.
